

Year 1 Comprehension 3: Superhero Show and Tell

Once upon a time, in a year 1 classroom, it was a very special day called "Superhero Show and Tell." Every student got to be a superhero for the day!

First, Sarah stood up and said she would be "Super Speedy." She zoomed around the room really fast, making everyone laugh.

Then, it was Tim's turn. He said he would be "Mega Strong." He lifted a chair with one hand, showing how strong he was.

Next, Emma went up. She chose "Super Fly" as her superhero name. She pretended to fly around the room, making whooshing sounds.

Finally, it was Alex's turn. He wanted to be "Invisible Hero." He hid behind a big book, and everyone pretended they couldn't see him.

The teacher clapped and said, "Wow, what amazing superheroes you all are!" The class cheered and had so much fun sharing their superpowers. They learned that everyone is special in their own way, just like superheroes.
