

Year 2 Comprehension 13: The Lost Teddy Bear

Once upon a sunny day, in a cosy little town, a little girl named Lily had a special friend named Teddy Bear. Teddy was soft, cuddly, and always brought a smile to Lily's face.

One afternoon, Lily and Teddy went on a grand adventure to the park. They played on swings, slid down the slide, and had a picnic. But as the sun started to set, Lily realized that Teddy was missing! "Oh no! Where's my Teddy?" cried Lily, feeling worried. She looked everywhere, but Teddy was nowhere to be found.

Lily's mother saw her sad face and gave her a warm hug. "Don't worry, Lily. We'll find Teddy together." They retraced their steps and asked friends at the park if they had seen Teddy. Soon, the whole neighbourhood joined the search. Everyone loved Teddy and wanted to help.

Finally, kind Mr. Johnson found Teddy hiding under a tree. Lily squealed with joy and hugged Teddy tightly. "Thank you, everyone, for helping me find Teddy," said Lily, her eyes sparkling with happiness.

From that day on, Teddy and Lily were inseparable. And whenever they went on adventures, they made sure to keep a watchful eye on each other. And so, Lily learned that even when things seem lost, kindness and teamwork can make everything right again.

Multiple Choice Questions

1. What was the name of the little girl in the story?

- a) Emily
