

Year 2 Comprehension 5: A Wishing Tree

One sunny afternoon, Andy was exploring the woods near her house which she loved to go visit. As Andy wandered deeper into the woods, she noticed a sparkling light in the distance.

Curiosity won her over and she followed the glimmering trail until she stumbled upon the most magical sight she had ever seen, a Wishing Tree!

The tree was magic because it was covered in glistening leaves that shimmered like stars in the sky. Excitement bubbled inside Andy as she approached the tree, feeling a sense of magic surrounding her.

With a brave heart, Andy closed her eyes and made her first wish. "I wish for a basket of my favourite apples!"

When she opened her eyes, she could not believe what she saw! It was a basket filled with juicy, red apples that appeared right before her!

Andy clapped her hands with joy and decided to make more wishes. "I wish for a colourful kite to fly in the sky!" Poof!

Andy spent the day making wishes, each one coming true with a sprinkle of magic from the Wishing Tree. She wished for a bouquet of beautiful flowers, a friendly butterfly to accompany her, and even a special book to read.

As the sun began to set, Andy thanked the Wishing Tree for granting all her wishes.

With a heart full of gratitude, she said, "Thank you, Wishing Tree! You made today the most amazing adventure of my life!"

From that day on, Andy learned that the magic of the Wishing Tree was not just in making wishes but in believing in the power of her dreams.

As she grew older, Andy carried the magic of the Wishing Tree in her heart.

With every wish she made, she remembered the enchanting day she found the tree and the joy it brought into her life.

And so, the adventurous girl named Andy never stopped believing in the magic of her dreams, knowing that even the smallest wish could lead to the biggest adventure of all.

Multiple Choice Questions
