

## Year 1 Comprehension 11: The Lost Kitten

Once upon a time, in a cosy little town, there was a tiny kitten named Mittens. Mittens was the softest and fluffiest kitten you could ever imagine. One sunny morning, Mittens went exploring outside but got lost in the big, tall grass.

Mittens looked around with big, curious eyes. "Meow, meow!" Mittens called, feeling scared. But no one answered.

Soon, a kind girl named Lily found Mittens hiding behind a bush. Lily's heart melted when she saw the scared kitten. She picked Mittens up gently and said, "Don't worry, Mittens, I'll help you find your way home."

Lily and Mittens walked around, and Mittens recognized a familiar tree. "Meow, meow!" Mittens exclaimed happily. Lily followed Mittens, and soon they were back home.

Mittens learned to stay close to home, and Lily gained a new furry friend. They played and cuddled every day, and Mittens was never lost again. And they all lived happily ever after. The end.
