

## Year 2 Comprehension 10: The Cupcake Contest

Once upon a time in a small village in Germany, there was an exciting cupcake contest coming up.

Emma and her best friend, Max, loved baking cupcakes together. They decided to join the contest and create the most delicious cupcakes the village had ever seen.

They gathered their ingredients - flour, sugar, eggs, and a secret touch of vanilla. Emma's grandma, Oma Helga, taught them a special recipe passed down through generations.

On the day of the contest, the village square was filled with laughter and the sweet aroma of cupcakes. Emma and Max nervously presented their cupcakes to the judges. The judges took a bite and smiled with delight. Emma and Max won the contest!

The villagers cheered as the two young bakers received their prize - a golden cupcake trophy! Emma and Max knew that their teamwork and Oma Helga's recipe had made their cupcakes the best in the village.

From that day on, Emma and Max's cupcakes were the talk of the town. They opened a little bakery and shared their yummy treats with everyone.

And they lived happily ever after, baking cupcakes and bringing joy to the village.
