

Year 4 Comprehension 6: The Magical Treehouse

Once upon a time, in a quiet neighbourhood, there stood an ordinary-looking treehouse at the edge of a dense forest. The treehouse belonged to three best friends named Sarah, Ben, and Mia. Little did they know that this treehouse held a magical secret.

One sunny afternoon, the three friends decided to explore the old treehouse. As they climbed the wooden ladder and stepped inside, they felt a strange tingling sensation. The walls of the treehouse began to shimmer with a soft, golden light, and the whole world around them seemed to blur.

When the light faded, Sarah, Ben, and Mia found themselves in a completely different place. They looked out of the treehouse window and saw a vast, sparkling ocean stretching as far as the eye could see. The treehouse had taken them to a tropical island paradise!

Excited and a little bewildered, the friends decided to explore their new surroundings. They climbed down from the treehouse and felt the warm sand beneath their feet. They splashed in the crystal-clear waters and built sandcastles on the beach.

As they ventured further into the island, they discovered a dense jungle filled with colourful birds, playful monkeys, and exotic plants. Every step brought a new adventure, from discovering hidden waterfalls to meeting friendly dolphins in the sea.

Days turned into weeks, and the treehouse provided the friends with everything they needed—magical food that appeared each morning, comfortable beds, and even a treasure chest filled with sparkling gems and precious artifacts.

But as much as they enjoyed their tropical paradise, Sarah, Ben, and Mia missed their families and friends back home. They decided it was time to return.

The friends climbed back into the treehouse and wished with all their hearts to go home. Once again, the treehouse began to shimmer with a soft, golden light. When it faded, they were back in their quiet neighbourhood, standing in front of their ordinary-looking treehouse.

With smiles on their faces, they realized that the treehouse was their secret gateway to adventure. Whenever they wanted to explore new places and have magical adventures, all they had to do was climb up into their treehouse and make a wish.

From that day on, Sarah, Ben, and Mia continued to have incredible adventures whenever they visited their magical treehouse. And while they cherished the exciting journeys they embarked on, they also learned that the most magical thing of all was the bond of friendship they shared.
